Notwithstanding the foregoing, the Authority may determine, in its sole discretion, and subject to the limitations set forth in Section 2.3 of this Agreement, that expenditures from the owner’s contingency and construction contingency line items of the Total Project Budget, so-called, are eligible for reimbursement, and in the event of any such determination, the Authority may adjust the above-stated Estimated Maximum Total Facilities Grant amount to account for the eligible, approved owner’s and construction contingency expenditures up to a Maximum Total Facilities Grant of _____. In no event shall the final, Maximum Total Facilities Grant, including any eligible owner’s and construction contingency amounts, exceed \$ _____. The Parties hereby acknowledge and agree that the Estimated Maximum Total Facilities Grant and Maximum Total Facilities Grant amounts set forth in this Section 2.1, are maximum amounts of funding that the District may receive from the Authority for the Project, and that the final amount of the Total Facilities Grant may equal an amount less than \$ _____, as determined by an audit conducted by the Authority. Any costs and expenditures that are determined by the Authority to be either in excess of the above-stated Total Facilities Grant or ineligible for payment by the Authority shall be the sole responsibility of the District. The Parties hereby agree that costs incurred by the District in connection with the Project prior to the Effective Date may be eligible for reimbursement if the Authority determines in its sole discretion that such costs meet the Authority’s eligibility requirements.

In the event that the Authority either temporarily or permanently withholds payment for the Project, the District hereby agrees and acknowledges that the Authority shall have no liability for any such withholding of payment or any loss that may occur as a result of any such withholding of payment.

2.3 The Parties hereby acknowledge and agree that, in the event that the lowest, responsible bid accepted by the District for the construction of the Project is lower than the corresponding amount set forth in the Total Project Budget, the Authority shall reduce the Total Facilities Grant amount set forth in Section 2.1 of this Agreement accordingly. The Parties hereby further acknowledge and agree that, in the event that the lowest, responsible bid accepted by the District for the construction of the Project exceeds the corresponding amount set forth in the Total Project Budget, the Authority shall not make any adjustments to its Total Facilities Grant on account of the bid, and the increased costs shall be the sole responsibility of the District. The Parties hereby further acknowledge and agree that, in the event that the lowest responsible bid accepted by the District for construction of the Project exceeds the corresponding amount set forth in the Total Project Budget, the District may use a reasonable amount of the owner's and/or construction contingency to fund the cost of any such budget overrun; provided however, that expenditures of owner's and/or construction contingency funds for the purpose of funding such budget overruns shall not be eligible for reimbursement by the Authority and shall be the sole responsibility of the District.

2.4 The Reimbursement Rate for the Project is calculated as set forth in the reimbursement rate summary, attached hereto as **Exhibit "P"**, and shall be subject to the provisions of M.G.L. c. 70B, 963 CMR 2.00 *et seq.*, and the policies and guidelines of the Authority.

Subject to the terms and conditions of this Project Funding Agreement, the Authority shall disburse Total Facilities Grant funds to the District in accordance with and subject to the following:

5.1 (a.) Using the Authority's Pro-Pay system, the District shall submit requests for reimbursement to the Authority on a Monthly basis in a format and manner prescribed by the Authority; provided, however, that the District shall not make any requests for reimbursement that total less than \$50,000. If the total value of a request for reimbursement is less than \$50,000, the District shall hold that request until such time as it can meet the \$50,000 threshold. Each request for reimbursement shall be approved locally by a duly authorized representative of the District, shall be in a form prescribed by or otherwise acceptable to the Authority, and shall include, in reasonable detail: (1) the amount of reimbursement requested, (2) the nature of the materials, property, or services received, (3) the total value of the work performed and materials furnished by each of the Designer, Contractor, Owner's Project Manager, and each Vendor to date, (4) the value of the work completed during the reimbursement period, and (5) the percentage of completion to date for each line item of work.

(b.) Each request for reimbursement submitted by the District shall be accompanied by (1) the invoices for each of the amounts requisitioned, (2) proof of payment by the District, and (3) any other supporting documentation and information substantiating the District's request for reimbursement, as the Authority may request, in a form satisfactory to the Authority.

(c.) Each request for reimbursement shall include a written certification signed by a duly authorized representative of the District stating that: (1) such request for reimbursement is solely for costs incurred by the District in connection with the Project, (2) the obligations itemized in the request for reimbursement have not been the basis for a prior request for reimbursement submitted by the District that has been paid or rejected by the Authority, unless otherwise directed by the Authority, (3) the request for reimbursement is for work actually and properly performed or for materials or property properly identified in the request for reimbursement as not incorporated in the work but delivered and suitably stored at the Project Site, (4) the request for reimbursement properly identifies materials or property approved for payment by the District as stored off the Project Site, with all costs of storage, insurance, perpetual inventory, monthly inspection and any maintenance requirement borne by the Contractor, and that the District has received the necessary proof of insurance and titles to the materials or property prior to payment to the Contractor, (5) the District has not received and is not expecting to receive any rebates, monetary settlements, grants, monetary donations, surety bond payments, insurance proceeds, or any other funding from a third party, other than the Authority, in connection with the Project that is the subject of the request for reimbursement, (6) the request for reimbursement is for costs that already have been duly paid by

MSBA Project No.:

District:

the District, and (7) the request for reimbursement is within the Total Project Budget approved by the Authority.

(d.) After receipt from the District of a timely and properly submitted request for reimbursement, the Authority shall make a reasonable effort to reimburse the District for the Authority's share of eligible Project costs, subject to the terms and conditions of this Project Funding Agreement within 15 days of receiving such request for reimbursement. The District hereby acknowledges and agrees that the amount of eligible Project costs reimbursed by the Authority may be subject to change depending on the results of an audit conducted by the Authority pursuant to Sections 5 and 6 of this Project Funding Agreement.

5.2 The Authority may review and perform a preliminary audit on each request for reimbursement submitted pursuant to this Section 5 to ensure that only eligible, approved costs of the Project are reimbursed by the Authority. In the event that the Authority determines that an item contained in a request for reimbursement submitted by the District is not eligible for reimbursement by the Authority, the Authority shall adjust a pending or a subsequent reimbursement to the District to account for the ineligible costs. The District hereby acknowledges and agrees that each audit conducted pursuant to this Section 5 is preliminary, and the Authority may further adjust and alter the results of a preliminary audit after conducting subsequent audits or the final project cost audit of the Project pursuant to Section 6 of this Project Funding Agreement.

5.3 Notwithstanding any other provisions of this Project Funding Agreement to the contrary, in no event shall disbursements of the Total Facilities Grant by the Authority exceed, in the aggregate, ninety-five percent (95%) of the Total Facilities Grant described in Section 2 of this Project Funding Agreement, unless the District has filed a Final Request and Certificate for Reimbursement and the Authority has completed a final project cost audit of the Project pursuant to Section 6 of this Project Funding Agreement.

**SECTION 6
FINAL PROJECT COST AUDIT**

6.1 Upon the filing of a Final Request and Certificate for Reimbursement with the Authority or at a time determined by the Authority, the Authority shall conduct a final, close-out project cost audit of the Project, including a review of all requests for reimbursement and other documentation submitted to the Authority during the course of the Project, any other documents or materials that the Authority may request, and an inspection of the Project, to determine the final Total Facilities Grant. The District hereby agrees and acknowledges that the Contractor's, Owner's Project Manager's and Designer's records shall be subject to audit by the Authority and such records shall include, but not be limited to, to the extent applicable, accounting records, written policies and procedures, Subcontractor files (including proposals of successful and unsuccessful bidders, bid tabulations, etc.), original estimates, estimating work sheets, correspondence, change order files (including documentation covering negotiated settlements), backcharge logs and supporting documentation, general ledger entries detailing cash and trade discounts earned, insurance rebates and dividends, and any other Contractor records which may have a bearing on matters of interest to the Authority in connection with the Contractor's work for the District. All of the foregoing shall be open to inspection and subject to audit and/or reproduction by the Authority and/or its agent and/or its authorized representative to the extent necessary to adequately permit evaluation and verification of (a) Contractor compliance with all requirements of the Construction Contract

MSBA Project No.:

District:

Documents, and (b) compliance with provisions for pricing change orders, invoices or claims submitted by the Contractor or any of his payees.

6.2 Other specific records subject to audit by the Authority shall include all information, materials and data of every kind and character such as documents, subscriptions, recordings, computerized information, agreements, purchase orders, leases, contracts, commitments, arrangements, correspondence, electronic mail, invoices, notes, daily diaries, photographs, videos, meeting minutes, field reports, superintendent reports, drawings, receipts, vouchers and memoranda, and any and all other agreements, sources of information that may in the Authority's judgment have any bearing on or pertain to any matters, rights, duties or obligations under or covered by any District documents, Designer documents, Owner's Project Manager documents, Vendor documents or Construction Contract Documents. Such records subject to audit shall also include those records necessary to evaluate and verify direct and indirect costs, (including overhead allocations) as they may apply to costs associated with the Project. In those situations where said records have been generated from computerized data (whether mainframe, mini-computer, PC based or other computer systems), the District agrees to provide the Authority with extracts of data files in computer readable format on data disks or suitable alternative computer data exchange formats.

6.3 Upon satisfactory completion of the final project cost audit, as reasonably determined by the Authority, the Authority shall send an audit report and acceptance form and release to the District and, subject to the execution of the acceptance form and release by the District, make a final payment of the Total Facilities Grant to the District, less all adjustments for ineligible Project costs and any other adjustments that the Authority reasonably determines as necessary.

6.4 Notwithstanding any provisions in this Project Funding Agreement to the contrary, the ninetieth (90th) day after the District approves final payment to the Contractor for the Project or the ninetieth (90th) day after the District provides sufficient documentation, as reasonably determined by the Authority, indicating that the construction of the Project is approximately one-hundred percent (100%) complete or such other time, as the Authority may determine in its sole discretion, shall be the final cut-off date for incurring Project costs that may be eligible for reimbursement by the Authority.

SECTION 7 OWNER'S PROJECT MANAGER

7.1 The District shall neither change nor permit a change of the Owner's Project Manager or any of its key personnel or sub-consultants without the prior written approval of the Authority in accordance with 963 CMR 2.11 and the Authority's requirements for the "Science Lab Initiative and Accelerated Repair Program Owner's Project Manager and Designer Assignment Procedure." If there is any change or proposed change in the Owner's Project Manager or any of its key personnel or subconsultants, the District shall give a written notice to the Authority that shall include a statement of reasons for the change or the proposed change and an explanation of the impact of the change or the proposed change on the Project. If the Authority determines, in its sole discretion, that a change of the Owner's Project Manager is necessary, the Authority shall assign a new Owner's Project Manager from the Authority's pre-selected pool of Owner's Project Managers for the Accelerated Repair Program in accordance with the procedures described in "Science Lab Initiative and Accelerated Repair Program Owner's Project Manager and Designer Assignment Procedure." The District shall not contract with any new Owner's Project Manager other than an

MSBA Project No.:

District:

Owner's Project Manager assigned by the Authority to the Project. The District shall also use the Authority's standard Contract for Project Management Services as it has been specifically revised by the Authority for the Accelerated Repair Program.

7.2 The District shall make all reasonable efforts to ensure that the Owner's Project Manager complies with all provisions of any contract between the District and the Owner's Project Manager and shall use its best efforts to enforce its rights thereunder.

7.3 If the Authority determines (1) that the Owner's Project Manager is not performing its obligations in accordance with the provisions of the Owner-Owner's Project Manager contract, Chapter 70B, Chapters 208 and 210 of the Acts of 2004, 963 CMR 2.00 *et seq* and any policies, approvals, directives and guidelines of the Authority, or (2) that the District, knowing or having reason to know that the Owner's Project Manager is not performing its obligations in accordance with the provisions of the Owner-Owner's Project Manager contract, Chapter 70B, Chapters 208 and 210 of the Acts of 2004, 963 CMR 2.00 *et seq.*, and any policies, approvals, directives and guidelines of the Authority, has failed to use its best efforts to enforce its rights under the Owner-Owner's Project Manager Contract, or (3) if the District fails to perform its obligations under any provisions of this Project Funding Agreement that relate to services of the Owner's Project Manager, the Authority reserves the right to withhold payments to the District, to recoup payments already made to the District, and/or to set off against payments due to the District, any otherwise eligible costs, as determined by the Authority, that relate to reimbursement to the District for Owner's Project Manager services

7.4 The District hereby agrees that the Authority shall have free access to, and open communication with, any Owner's Project Manager assigned to the Project by the Authority and contracted by the District and that the Authority shall have full and complete access to all information and documentation relating to the Project to the same extent that the District has such access. The District agrees that it shall require any such Owner's Project Manager to fully cooperate with the Authority in all matters related to the Project; to promptly communicate, transmit, and/or make available for inspection and copying any and all information and documentation requested by the Authority; to fully, accurately and promptly complete all forms and writings requested by the Authority; and to give complete, accurate, and prompt responses to any and all questions, inquiries and requests for information posed by the Authority. The District agrees that it shall not in any way, directly or indirectly, limit, obstruct, censor, hinder or otherwise interfere with the free flow of communication and information between the Owner's Project Manager and the Authority in all matters related to the Project and as provided herein; that it shall not suffer the same to occur by the act or omission of any other person or entity; and that it shall not retaliate against the Owner's Project Manager for communicating information to the Authority as provided herein. The District agrees to execute, deliver and/or communicate to the Owner's Project Manager any and all authorizations, approvals, waivers, agreements, directives, and actions that are necessary to fulfill its obligations under this paragraph. The District further agrees that the Authority shall bear no liability whatsoever arising out of the Authority's knowledge or receipt of information communicated to the Authority by the Owner's Project Manager and that the District shall remain responsible for the management and completion of the Project.

District:

8.1 The District hereby acknowledges and agrees that, in the event that the District does not complete the Project or otherwise fails to operate and maintain the Assisted Facility as a public school in substantial compliance with the District's educational program and in accordance with the provisions of this Project Funding Agreement, Chapter 70B, Chapter 208 and 210 of the Acts of 2004, 963 CMR 2.00 *et seq.* and any rules, regulations, policies, and guidelines of the Authority, the District shall reimburse the Authority the full amount of any and all funds received from the Authority in connection with the Project.

9.1 The District shall obtain and maintain all insurance required by law and such other insurance in such types and in such amounts as the Authority may require from time to time.

9.1.1 During the course of the Project, the District shall purchase and maintain, or shall cause the Contractor to purchase and maintain, at their own expense, coverage against loss or damage to the Project in an amount equivalent to the Total Project Budget at the sole expense of the District, Contractor, as the case may be. Such coverage shall be written on an "all risks" basis or equivalent form and shall include, without limitation, insurance against the perils of fire (with extended coverage) and theft, vandalism, malicious mischief, terrorism, collapse, earthquake, flood (if the Project is not in an "A" or "V" flood zone), windstorm, falsework, testing and startup, and debris removal including demolition occasioned by enforcement of any applicable legal requirements. The policy shall include transportation and coverage for delivered and/or stored materials designated to be incorporated into the Project. The policy shall include the Authority as a loss payee as its interests may appear. Coverage shall be maintained until final acceptance of the Project by the District and final payment has been made. The District (or Contractor, if coverage is purchased by Contractor) is responsible for the payment of any and all deductibles, self-insured retentions or any portion thereof under the policy.

MSBA Project No.:

District:

- 9.1.2 Following completion of the Project, the District shall, at its sole expense, purchase and maintain coverage against loss or damage to the Assisted Facility in an amount equivalent to the estimated full replacement cost of the Assisted Facility. Such coverage shall be written on an "all risks" basis or equivalent form and shall include, without limitation, insurance against the perils of fire (with extended coverage) and theft, vandalism, malicious mischief, terrorism, collapse, earthquake, flood (if the Project is not in an "A" or "V" flood zone), windstorm, falsework, mechanical and electrical breakdown, and boiler and machinery accidents, and debris removal including demolition occasioned by enforcement of any applicable legal requirements. The limits for earthquake and flood shall be the lesser of the estimated full replacement cost of the Assisted Facility or \$10,000,000. The policy shall include the Authority as a loss payee as its interests may appear. The District is responsible for the payment of any and all deductibles, self-insured retentions or any portion thereof under the policy.
- 9.1.3 The District shall include the Authority as an additional insured in any commercial general liability policy held by the District for liability arising out of the Project.
- 9.1.4 The Authority shall not be responsible for the payment of deductibles, self-insured retentions, or any portion thereof.
- 9.1.5 Upon request by the Authority, the District shall obtain and provide to the Authority originals of certificates of insurance evidencing the insurance coverage required by this section of the Project Funding Agreement.

9.2 The District shall require by contractual obligation, and shall also ensure by the exercise of due diligence, that each of any Owner's Project Manager, Designer, Contractor, or Vendor hired by the District in connection with the Project obtain and maintain all insurance coverage required by law and such other insurance coverage in such types and amounts as the Authority may require from time to time, including the insurance coverage required by this Project Funding Agreement and by any standard contracts that are prescribed by the Authority and executed by the District, including, but not limited to, the Authority's standard contract for Project Management Services and standard contract for Designer Services, as they have been specifically revised for the Accelerated Repair Program,. The insurance required by this Section shall be provided at the sole expense of the Owner's Project Manager, Designer, Contractor, and Vendors, as the case may be, and shall be in full force and effect for the full term of any contract between the District and said Owner's Project Manager, Designer, Contractor, and Vendors or for such longer period as the Authority may require, including any such longer period that may be required by this Project Funding Agreement or the standard contracts prescribed by the Authority and executed by the District.

9.3 The District shall include in the contract between the Owner and the Contractor, as the case may be, the standard language contained in **Exhibit G** regarding minimum insurance requirements for Contractors. The District may impose additional insurance requirements for either construction delivery method provided that any such additional requirements shall not be inconsistent with the requirements imposed by the standard language set forth herein and further provided that the District shall give the Authority a written notice that clearly describes any such additional requirements. It shall be the sole responsibility of the District to determine whether additional insurance requirements are desirable or necessary and should be included in the contract between the Owner and the Contractor.

MSBA Project No.:
District:

9.4 The District shall obtain originals of certificates of insurance evidencing the insurance coverage that may be required by the Authority from time to time, including the insurance coverage required by this Project Funding Agreement, any standard contracts that are prescribed by the Authority and executed by the District, including, but not limited to, the Authority's standard contract for Project Management Services and standard contract for Designer Services as they have been specifically revised for the Accelerated Repair Program, and any other contract between the District and the Owner's Project Manager, Designer, Contractor, or Vendors, simultaneously with the execution of said contracts or, in the event that said contracts have been executed prior to the date of this Project Funding Agreement, as soon as possible thereafter. Upon request of the Authority, the District shall submit such certificates of insurance to the Authority, showing each type of insurance, insurance company, policy number, amount of insurance, deductibles/self-insured retentions, and policy effective and expiration dates. The District shall require each of the Owner's Project Manager, Designer, Contractor, and Vendors to submit updated insurance certificates to the District prior to the expiration of any of the insurance policies or coverage referenced in this Section so that the District shall at all times possess certificates indicating current coverage.

9.5 The failure of the District to ensure that each of the Owner's Project Manager, Designer, Contractor, and Vendors obtain and maintain the insurance required by the Authority, this Project Funding Agreement, any standard contract prescribed by the Authority and executed by the District or any other contract between the District and the Owner's Project Manager, Designer, Contractor, or Vendors, or to provide the insurance certificates required by this Project Funding Agreement shall constitute a material breach of this Project Funding Agreement and shall be just cause for termination of this Project Funding Agreement.

9.6 The District shall, and shall require, as the case may be, its insurers and each of the Owner's Project Manager, Designer, Contractor, Vendors and their insurers to, give written notice to the Authority at least thirty days prior to the effective date of any termination, cancellation, or material modification of any insurance required by this Project Funding Agreement, any standard contracts that are prescribed by the Authority and executed by the District, including, but not limited to, the Authority's standard contract for Project Management Services and standard contract for Designer Services, as they have been specifically revised for the Accelerated Repair Program, and any other contract between the District and the Owner's Project Manager, Designer, Contractor, or Vendors.

9.7 With respect to all policies of insurance required of the Owner's Project Manager, Designer, Contractor, and Vendors by this Project Funding Agreement, any standard contracts that are prescribed by the Authority and executed by the District, including, but not limited to, the Authority's standard contract for Project Management Services and standard contract for Designer Services, as they have been specifically revised for the Accelerated Repair Program, and any other contract between the District and the Owner's Project Manager, Designer, Contractor, and Vendors, the District shall ensure that neither the District nor the Authority shall be responsible for the payment of deductibles, self-insured retentions or any portion thereof.

9.8 Insufficient insurance shall not release the Owner's Project Manager, Designer, Contractor, or Vendors from any liability for breach of their obligations under an agreement between the District and any of them.

MSBA Project No.:

District:

9.9 All insurance policies required by this Project Funding Agreement, any standard contract prescribed by the Authority and executed by the District and any other contract between the District and the Owner's Project Manager, Designer, Contractor, or Vendors shall be issued by companies lawfully authorized to write that type of insurance under the laws of the Commonwealth of Massachusetts with a financial strength rating of "A-" or better as assigned by A.M. Best Company, or an equivalent rating assigned by a similar rating agency acceptable to the District and the Authority.

9.10 The District shall take all reasonable steps designed to ensure that the Owner's Project Manager, Contractor, Designer, and Vendors each agree that they and their Subcontractors shall do no act, nor suffer any act to be done, which will vacate, void or impair the coverage of any insurance policies required under this Project Funding Agreement, any standard contract prescribed by the Authority and executed by the District or any other contract between the District and the Owner's Project Manager, Designer, Contractor, or Vendors.

9.11 The District shall, upon request by the Authority, produce copies of all policies of insurance maintained by the District, its Contractor, Owner's Project Manager, Designer and Vendors related to the Project, to the Authority.

SECTION 10
COMPLIANCE WITH CONSTRUCTION CONTRACT DOCUMENTS, PROJECT
PERMITS and OTHER APPLICABLE LAW

10.1 The District shall be solely responsible to the Authority for the implementation and completion of the Project in accordance with the Construction Contract Documents and Project Permits, and for the economical and efficient operation and administration of the Project. In addition, notwithstanding any right of approval, review, or inspection held by the Authority in connection with this Project Funding Agreement, the District shall be fully and solely responsible for taking all reasonable actions designed to ensure that the Project complies with all applicable building codes, laws, rules and regulations.

10.2 The District shall be responsible for enforcing the provisions of the Construction Contract Documents and shall use its best efforts to ensure that the Contractor performs all of its contractual obligations thereunder in a satisfactory manner.

SECTION 11
DEFECTS

11.1 The District shall use its best efforts to require the Contractor, at the Contractor's own cost and expense, to repair any defect in materials or workmanship in the Project or any portion of the Project that may develop during the applicable warranty period and the District shall, to the extent permitted by law, indemnify, defend and hold the Authority harmless from and against any loss, cost, liability or expense paid or incurred by the Authority (including all attorney's fees and other costs incurred by the Authority in the defense of any such action) with respect to any claim asserted against the Authority by any party with respect to any such defect, actual or alleged.

SECTION 12
ACCESS

SECTION 13 PRESENCE ON THE PREMISES OF THE ASSISTED FACILITY

13.1 The District shall require each of the Owner's Project Manager, Designer, Contractor and Vendors, as the case may be, to agree that that all persons whose duties bring them upon the Project Site shall comply with the reasonable directions of the authorized officers and/or representatives of the District and the Owner's Project Manager.

13.2 In the event of a material accident of any kind related to the Project, the District shall immediately notify the Authority in writing. For purposes of this section, material accident shall mean an accident resulting in death, serious injury or a serious breach in the physical plant.

SECTION 14 RESTRICTION ON SALE, LEASE, or REMOVAL FROM SERVICE

14.1 As a condition of the Authority providing a Total Facilities Grant to the District, the District agrees to maintain and operate the Assisted Facility as a public school facility consistent with its educational program and in accordance with the provisions of this Project Funding Agreement, Chapter 70B, Chapter 208 and 210 of the Acts of 2004, 963 CMR 2.00 *et seq.*, and any rules, regulations, policies and guidelines of the Authority. In the event that the District wishes to sell, rent, lease, license, mortgage, donate, transfer control of, declare as surplus or otherwise dispose of an Assisted Facility, or any portion of an Assisted Facility, or convey or terminate any interest therein, other than renting, licensing, leasing or otherwise allowing for a temporary or periodic community use of the Assisted Facility that does not interfere with or result in changes to the Educational Program, the District shall provide the Authority with a written notice of its intent to sell, rent, lease, license, mortgage, donate, transfer control of, declare as surplus, or otherwise dispose of the Assisted Facility, or any portion of an Assisted Facility, or convey or terminate any interest therein, at least sixty (60) days prior to the effective date of any such proposed action, in accordance with the notice provisions of Section 17 of this Project Funding Agreement. The notice of intent to take any of the aforementioned actions shall include the current appraised value of the Assisted Facility and the maximum resale price on the basis of highest and best use of the facility. If the Authority disagrees with the current appraised value of the Assisted Facility, the Authority may obtain a second appraisal at its own expense, and the current appraised value shall be equal to the greater of the two appraisal amounts on the basis of highest and best use of the facility.

MSBA Project No.:

District:

14.2 The provisions of Chapter 70B, § 15(a)-(c) shall apply to any sale, rental, lease or removal from service of the Assisted Facility, except for a rental or lease that is for a temporary or periodic community use. In the event that the District sells, rents, or leases the Assisted Facility, other than renting or leasing the Facility for a temporary or periodic community use, the Authority shall receive no less than its share, in proportion to its investment in the total Project cost, of the fair market value of the Assisted Facility, as determined by an appraisal conducted pursuant to Section 14.1 above.

SECTION 15 NOTICE OF CLAIMS

15.1 The District shall notify the Authority promptly in writing at the address and in the manner required by Section 17 of this Project Funding Agreement of any material claim or action brought against the District, Designer, Owner's Project Manager, Contractor, Vendors and/or any and all Sub-Contractors arising out of this Project Funding Agreement or the Project.

15.2 Neither the District nor any person or entity claiming by through or under it, shall file a civil action arising out of the provisions of this Project Funding Agreement against the Authority without first serving the Authority with a written notice stating the factual basis of its claims, the applicable provisions of the Project Funding Agreement that the claim is based upon, and the remedy that the District is seeking. No civil action arising out of the provisions of this Project Funding Agreement shall be filed by the District against the Authority until the expiration of sixty (60) days after the Authority has received the notice of claim required by this section.

SECTION 16 INDEMNIFICATION

16.1 To the fullest extent permitted by law, the District shall indemnify, defend, and hold harmless the Authority and its officers, agents and employees from and against any and all claims, actions, damages, awards, judgments, liabilities, injuries, costs, fees, expenses, or losses, including, without limitation, reasonable attorneys fees and costs of investigation and litigation whatsoever which may be incurred by or for which liability may be asserted against the Authority, its officers, agents or employees arising out of any activities undertaken by, for, or on behalf of the District in the implementation of this Project Funding Agreement or any activities, acts or omissions in relation to the Project, including, but not limited to, the performance of any contract or obligation directly or indirectly related to the Project. This Section shall not be construed to negate or abridge any other obligation of indemnification running to the Authority which would otherwise exist.

16.2 To the fullest extent permitted by law, and unless otherwise agreed to in writing by the Authority, the District shall require the Contractor, as the case may be, to indemnify, defend, and hold harmless the Authority and its officers and employees as set forth below:

To the fullest extent permitted by law, the Contractor hereby agrees to indemnify, defend and hold harmless the Authority and its officers and employees from and against all claims, damages, liabilities, injuries, costs, fees, expenses, or losses, including, without limitation, reasonable attorney's fees and costs of investigation and litigation, whatsoever which may be incurred by the Authority arising out of or resulting from the performance or non-performance of the work performed by the Contractor and subcontractors,

MSBA Project No.:

provided that such claims, damages, liabilities, injuries, costs, fees, expenses, or losses are alleged to be caused in whole, or in part, by an act or omission of any of the Contractor, any subcontractors, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder.

19.2 No member or employee of the Authority shall be held personally or contractually liable by or to the District under any provision of this Project Funding Agreement, because of any breach of this Project Funding Agreement, or because of its execution or attempted execution.

19.3 The District shall neither assign any interest, in whole or in part, in this Project Funding Agreement, nor transfer any interest in same, whether by assignment or novation, without the prior written approval of the Authority.

19.4 Nothing in this Project Funding Agreement shall be construed as creating a duty or obligation on the part of the Authority to oversee or monitor the performance of the Designer, Contractor, Owner's Project Manager or other Project participants. The Authority shall not be responsible for, among other things, the design of the Project, architectural plans, construction means, methods, techniques, sequences or procedures, quality control or construction safety, or compliance with the Construction Contract Documents, Project Permits or any applicable provisions of law, which shall be and remain the sole responsibility of the District and its Designer, Contractor, Owner's Project Manager and Vendors, as the case may be.

SECTION 20

GOVERNING LAW, VENUE, AMENDMENT and SEVERABILITY

20.1 This Project Funding Agreement shall be governed by and interpreted in accordance with the laws of the Commonwealth of Massachusetts. In case any provision(s) hereof shall be determined invalid or unenforceable under the applicable law, such provision(s) shall, insofar as possible, be construed or applied in such manner as will permit the enforcement of this Project Funding Agreement; otherwise, this Project Funding Agreement shall be construed as though such provision(s) had never been made a part hereof.

20.2 Any civil action brought against the Authority by the District, or any person or entity claiming by through or under it, that arises out of the provisions of this Project Funding Agreement, shall only be brought in the Superior Court for Suffolk County, Massachusetts. The District, for itself and for any person or entity claiming by through or under it, hereby waives any defenses that it may have as to the venue to which it has agreed herein, including, but not limited to, any claim that this venue is improper or that the forum is inconvenient. The District for itself and for any person or entity claiming by through or under it, hereby waives all rights, if any, to a jury trial in any civil action against the Authority that may arise out of the provisions of this Project Funding Agreement.

20.3 This Project Funding Agreement and any amendments hereto shall be deemed null and void and of no further force or effect unless it is executed by a duly authorized representative of the District and a duly authorized representative of the Authority. The undersigned, who are signing on behalf of the District, hereby warrant and represent that they possess the full legal authority to execute this Project Funding Agreement on behalf of the District and to bind the District to its terms and conditions. In the event that the Authority determines that the undersigned are not duly authorized to execute this Project Funding Agreement and to bind the District, the Authority may, in its sole discretion, take whatever action it deems necessary to terminate this Project Funding Agreement, to suspend or terminate payments to the District and to recover any funds disbursed to

SECTION 21 WAIVERS

21.1 The terms, conditions, covenants, duties and obligations contained in this Project Funding Agreement may be waived only by written agreement executed by duly authorized representatives of the District and the Authority. No waiver by either party of any term, condition, covenant, duty or obligation shall be construed as a waiver of any other term, condition, covenant, duty or obligation nor shall a waiver of any breach be deemed to constitute a waiver of any subsequent breach, whether of the same or a different section, subsection, paragraph, clause, phrase, or other provision of this Project Funding Agreement. Forbearance or indulgence in any form or manner by either Party to this Project Funding Agreement shall not be construed as a waiver, nor in any way limit the remedies available to that party.

21.2 The Authority's payment(s) to the District under this Project Funding Agreement or its review, approval, or acceptance of any actions by the District under this Project Funding Agreement shall not operate as a waiver of any rights or remedies available to the Authority under this Project Funding Agreement or as otherwise provided by law and the District shall remain liable to the Authority for all damages incurred by the Authority arising out of the District's failure to perform in accordance with the terms and conditions of this Project Funding Agreement.

SECTION 22 DEFAULTS AND REMEDIES

22.1 The occurrence of any of the following events shall constitute, and is herein defined to be, an Event of Default under this Project Funding Agreement:

(a.) If the District shall fail to perform or observe any covenant, agreement, term or condition on its part provided in this Project Funding Agreement and such failure shall continue for a period of thirty (30) days after written notice thereof shall be given to the District by the Authority; provided that, if such failure cannot be remedied within such thirty (30) day period, it shall not constitute an Event of Default hereunder if corrective action satisfactory to the Authority, as determined by the Authority, in writing, is instituted by the District within such period and diligently pursued until the failure is remedied;

(b.) If any representation or warranty made by the District in this Project Funding Agreement shall prove to have been incorrect, false, or to be misleading in any material respect;

22.2 If any Event of Default hereunder shall occur and be continuing, the Authority may proceed to protect its rights under this Project Funding Agreement, and may: (a) terminate this Project Funding Agreement, (b) permanently withhold or temporarily suspend payment of the Total Facilities Grant to the District, (c) recover any payments of the Total Facilities Grant previously made to the District, and/or (d) may exercise any other right or remedy upon such default as may be granted to the Authority under this Project Funding Agreement or under any other applicable provision of law.

MSBA Project No.:
District:

22.3 No delay or omission to exercise any right, remedy or power accruing upon any Event of Default shall impair any such right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient.

22.4 The rights and remedies conferred upon or reserved to the Authority under this Project Funding Agreement are not intended to be exclusive and every such right or remedy shall be cumulative and shall be in addition to any other rights or remedies provided by law. The Authority may assert a right to recover damages by any appropriate means, including, but not limited to, set-off, suit, withholding, recoupment, or counterclaim either during or after performance of this Project Funding Agreement.

**SECTION 23
TERMINATION**

23.1 This Project Funding Agreement may be terminated by the Authority if an Event of Default shall have occurred as provided in Section 22. Notice of such termination shall be in writing and shall be effective immediately upon service of the notice in the manner provided in Section 17. Upon five (5) days written notice, this Project Funding Agreement may be terminated by the Authority in the event of any action constituting fraud, malfeasance, or illegal activity committed in connection with the Project by the District or any of the District's employees, or, where the District knew or should have known, by the Architect, Owner's Project Manager, Contractors, or Vendors.

23.2 This Agreement may be terminated by mutual written agreement of the Parties.

**SECTION 24
