*This Initial Compliance Certification (“ICC”) must be completed by all Eligible Applicants who have submitted a Statement of Interest to the Massachusetts School Building Authority (the “Authority”) and have been invited into the Eligibility Period. The Authority will not consider a District to be eligible for a school building repair, renovation or construction grant until after the District has properly submitted an ICC in the form and manner prescribed by the Authority. Each District shall exercise due diligence in ascertaining and certifying the truth, completeness and accuracy of each of following statements, acknowledgements, certifications, agreements and representations. The Eligible Applicant shall also have a continuing duty throughout the Eligibility Period, a Feasibility Study, and all phases of a Proposed Project or Approved Project to inform the Authority in writing when it becomes aware of information that impairs the truth, completeness or accuracy of any of the following statements, acknowledgements, agreements or representations. The Authority’s reference to certain of its regulations, policies, procedures, guidelines and standards in this ICC shall not be construed in any way as a waiver of any of its other regulations, policies, procedures, guidelines, or standards and the Authority’s reference to a portion of a regulation, policy, procedure, guideline, or standard, or paraphrasing thereof, shall not be construed as a waiver of the remainder.*

*Unless otherwise specified, all capitalized terms shall have the meanings ascribed to such terms in M.G.L. c. 70B or 963 CMR 2.00 et seq.*

1. The CITY/TOWN/DISTRICT (“District”) hereby certifies that it shall remain in compliance with, the provisions of M.G.L. c. 70B, Chapter 208 of the Acts of 2004, 963 CMR 2.00 et seq., and all other applicable statutes, rules, policies, procedures, guidelines and standards of the Authority.

3. The District hereby acknowledges and agrees that the school building renovation and construction grant program established by M.G.L. c. 70B is a discretionary program based on need, as determined by the Authority. The District hereby further acknowledges and agrees that it shall have no entitlement to receive approval or

funding for a Proposed Project or for any other purpose except at the sole discretion of the Authority.

4. The District hereby agrees to work in collaboration with the Authority in all phases of the process, including at least: (a) identifying perceived deficiencies with school buildings, (b) validating those deficiencies, (c) identifying educationally and financially sound solutions to validated deficiencies, (d) agreeing on a project scope and budget, (e) implementing a solution as agreed upon, and (f) the final project audit and close-out. The District hereby further acknowledges and agrees that, to remain eligible for project approval and potential funding from the Authority, the District must work collaboratively and in cooperation with the Authority through all phases of the Authority's process including, at a minimum, the phases described above, to the satisfaction of the Authority.
5. The District hereby acknowledges and agrees that in order to qualify for any funding from the Authority, the District must comply with M.G.L. c. 70B and 963 CMR 2.00 *et seq.* which require the Authority's collaboration and approval at each step of the school facility grant approval process and further acknowledges and agrees that any actions taken, costs incurred or agreements entered into for the repair, renovation or construction of school facilities without the explicit prior written approval of the Authority shall not be eligible for grant funding.
6. The District hereby certifies, and can demonstrate, that it has expended at least the minimum amount of the District's calculated foundation budget amounts for the purposes of foundation utility and ordinary maintenance expenses and extraordinary maintenance allotment as defined in M.G.L. c. 70, and as required by the provisions of M.G.L. c. 70B, § 8, 963 CMR 2.10(2)(c) & 2.17 , and hereby further acknowledges and agrees that the Authority may not approve any project for any school district that fails to meet such minimum maintenance expenditure requirements.
7. The District hereby certifies that the perceived deficiencies, as set forth in the Statement of Interest submitted to the Authority for this Proposed Project, in whole or in part, are not a result of negligence by the District; are not under warranty with material suppliers or installers; are not the subject of, nor could be the subject of, ongoing litigation by the District or, if so, the District has notified the Authority in writing of such ongoing or potential litigation and has provided and will continue to provide the Authority with information about such ongoing or potential litigation to the satisfaction of the Authority in its sole discretion; are not a result of inadequate routine or capital maintenance by the District; are not covered by available insurance proceeds.

8. The District hereby certifies that, if invited to collaborate with the Authority to conduct a Feasibility Study, it will study and consider all available options for remedying the deficiencies asserted in the Statement of Interest, including, to the extent applicable, regionalization or tuition agreements with adjacent school districts, district assignment policies within the school district, rental or acquisition and any necessary rehabilitation or usage modification of any existing building which could be made available for school use.
9. The District hereby acknowledges and agrees that, before the Authority can grant final approval of a Project, the District must vote to authorize and appropriate the full amount of funding for the Proposed Project that is necessary to meet the total project budget as agreed to by the Authority and as described in 963 CMR 2.10 (10)(c) and shall use any standard formats and language established or developed by the Authority to draft warrant articles, motions, orders, votes, and ballot questions related to the funding for the Proposed or Approved Project. The District shall submit its draft language for warrant articles, motions, orders, votes, and ballot questions to Authority for its review prior to its publication or use.
10. The District hereby acknowledges and agrees that, in connection with a Proposed Project or an Approved Project, it shall use any standard forms; standard formats for local votes and approvals; standard contract documents; and any standard contract language and clauses that may be established or developed by the Authority, and as may be amended by the Authority from time to time.
11. The District hereby acknowledges and agrees that it shall submit to the Authority, and shall comply with the terms of, any certifications, statements, forms, affidavits, and agreements that the Authority may require for a Proposed or Approved Project and that any such certifications, statements, forms, affidavits, and agreements shall be completed, duly executed and submitted in a form and manner prescribed by or otherwise acceptable to the Authority.
12. The District hereby acknowledges and agrees that no Total Facilities Grant, or any portion thereof, shall be disbursed by the Authority for a Proposed Project or an Approved Project until after a Feasibility Study Agreement, where required by the Authority, and a Project Funding Agreement, have been executed by duly authorized representatives of both the District and the Authority.
13. The District hereby certifies that it has provided or will provide the Authority with all Audit Materials requested by the Authority in connection with any Assisted Facility including, but not limited to, Prior Grant Projects, Waiting List Projects, and any other school building projects for which the District has received or will receive funding from the Authority or the Commonwealth. and agrees that it shall continue to cooperate with the Authority and provide any additional documentation or information that may be requested by the Authority in connection with any Assisted Facility.

14. The District hereby certifies that the school building for which it has submitted a Statement of Interest is not a school building that has been the site of an approved school project pursuant to G.L. c. 70B or chapter 645 of the Acts of 1948 within the ten (10) years prior to the Proposed Project's application date, or, in the alternative, that the Proposed Project would be unrelated to such previously approved project in the same school building. The District acknowledges and agrees that only the Authority, in its sole discretion, can make the determination as to whether a Proposed Project is to be deemed unrelated to a previously approved project in the same school building. Any such determination shall be made in writing by the Authority prior to the execution of this ICC.
15. The District hereby certifies that prior to submitting any part of its Application to the Authority, it has not sold, leased, or otherwise removed from service any schoolhouse operated by the District, or portion thereof, within the last ten (10) years, or that, if it has done so, the Authority has determined in writing, pursuant to M.G.L. c. 70B, § 15(c): (1) that the grant sought by the District is not for the purpose of replacing such schoolhouse, or (2) that the need for the Proposed Project could not have been reasonably anticipated at the time that such schoolhouse was sold, leased, or otherwise removed from service. Further, the District acknowledges and agrees that only the Authority, in its sole discretion, can make the determination as to whether a Proposed or Approved Project replaces a schoolhouse that was sold, leased or otherwise removed from service and whether the need for the Proposed Project could not have been reasonably anticipated at that time. Any such determination shall be made in writing by the Authority prior to the execution of this ICC.
16. The District hereby acknowledges and agrees that, if it sells, leases, or otherwise removes from service an Assisted Facility, or portion thereof, that the Authority may stop making grant payments associated with the Assisted Facility, may recapture the financial assistance that the Assisted Facility has received from the Authority or the Commonwealth, and may decline to approve any future grants for the District.
17. The District hereby acknowledges and agrees that, as part of a Feasibility Study where a new school option is among the options that may be studied, the District shall study potential sites for the Proposed Project and hereby acknowledges and agrees that it shall base its site selection for a Proposed or Approved Project on, among other things, cost and environmental factors, including an awareness of soil conditions and their probable effect on foundation and site development costs, transportation effects, dislocation of site occupants and relationship to other community facilities. The

District further acknowledges and agrees that if the Authority were to approve a project for the District, (a) the Authority will not pay for any costs associated with acquiring the site or remediating the site, and (b) the District shall comply with the Authority's specifications and requirements for the site, including, but not limited to, any applicable site cost regulations, policies, guidelines and standards, and any cap on site costs that the Authority may establish from time to time.

18. The District hereby acknowledges and agrees that throughout the planning and construction of an Approved Project, if such final approval is received from the Authority, the District shall follow procedures and practices satisfactory to the Authority such as will assure maximum attention to the operating and capital cost effects of program and design decisions, materials and systems selections.
19. The District hereby certifies that it is current on any payments that it may owe to the Authority and does not have any outstanding amounts past due to the Authority.
20. The District hereby certifies that it is unaware of any lawsuit filed in a court of law against the Authority to which the District is a party and further certifies that it is unaware of any other lawsuit filed in a court of law against either the Authority or the District in relation to the District's Statement of Interest, Proposed Project, or Approved Project.
21. The District hereby certifies that it has specifically read the provisions of 963 CMR 2:03 (2)(a)-(q) and certifies that it has met or will meet each of the requirements described therein and further acknowledges and agrees that the District's failure to comply with each requirement, as determined by the Authority, may be grounds for, among other things, denial of a Total Facilities Grant, rescission of a Total Facilities Grant already issued, or the suspension, termination, or recoupment of reimbursement payments made by the Authority to the District.
22. The District hereby acknowledges and agrees that if the District and the Authority execute a Feasibility Study Agreement or Project Funding Agreement, the District shall promptly develop, implement and actively pursue a fraud, waste and abuse detection and prevention program in connection with any Proposed Project or Approved Project and develop written procedures to detect and prevent fraud, waste and abuse.
23. The District hereby certifies that the Eligible Applicant or its designee who will be in charge of the procurement for the Proposed or Approved Project is, or will be prior to the procurement of any services for the Proposed Project, duly certified as a Massachusetts Certified Public Purchasing Official ("MCPPO") for design and

25. The District hereby certifies that it has read and understands the provisions of 963 CMR 2.19 and acknowledges and agrees that if the Authority determines that any false or intentionally misleading information or documentation has been provided to the Authority by or on behalf of the District, either in relation to this Initial Compliance Certification or in support of any effort to influence any action by the Authority, or if the District or its agents do any other act affecting the integrity of the Authority's Program, the Authority may suspend or revoke any and all grant payments approved for the District; may recover any previous payments made to the District; and may prohibit the District from receiving a Total Facilities Grant for a period of time to be determined by the Authority.
26. The District hereby acknowledges and agrees that the Authority shall have free access to, and open communication with, any Owner's Project Manager hired by and/or assigned to the Project by the District and that the Authority shall have full and complete access to all information and documentation relating to the Project to the same extent that the District has such access. The District agrees that it shall require any such Owner's Project Manager to fully cooperate with the Authority in all matters related to the Project; to promptly communicate, transmit, and/or make available for inspection and copying any and all information and documentation requested by the Authority; to fully, accurately and promptly complete all forms and writings requested by the Authority; and to give complete, accurate, and prompt responses to any and all questions, inquiries and requests for information posed by the Authority. The District agrees to execute, deliver and/or communicate to the Owner's Project Manager any and all authorizations, approvals, waivers, agreements, directives, and actions that are necessary to fulfill its obligations under this paragraph. The District further acknowledges and agrees that it shall complete the application form and certification developed by the Authority before the Authority will consider or approve the use of an existing District employee as an Owner's Project Manager.
